Some notes for your party:

Arrival: Please ask your guests to arrive 10min before your start time. .Avoid running on the drive and resist approaching the horses tied to rails and fences.

Decorations: Our horses are our main attraction. You cannot bring any decorations that blow, flap, or bust due to the nature of the animals and the outdoor venue. We will provide a table cloth and hats and a brilliant outdoor venue. Small weighted table decorations are acceptable.

Clothing: ALL guests need to wear enclosed shoes and riders also need long pants, no loose or flowing garments. Throw a jacket in as the weather can cool suddenly around lunch time.

Guests: We ask that you keep the number of additional adults/siblings/family members to a minimum and carpool where possible.

Helmets: Please ask your guests to consider the snug fitting of a helmet when they are doing their hair. Helmet friendly 'doos' are low pony-tails, plaits, no clips or bows.
